

PRODUCT USE GUIDE FOR BUFFABLE FLOOR CLEANER E9A

Product Description

A multi-purpose product which performs a three-in-one operation – cleaning, polishing and disinfecting. Designed for the maintenance of treated polished floors. Has a pleasant residual fragrance.

Product Features

- Consists of specially blended waxes which allow a highly polished slip resistant finish to be produced when burnished with a high speed polishing machine.
- The product can be used for mopping, for normal cleaning and for spray buffing operations.
- Use on all non-porous polished and unpolished floors.

Direction for Use

- Add 125ml per 5 litres of water.
- Clean the floor in the normal way with mop or machine, but ensure that there is a continuous wet surface.
- Allow floor to dry.

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

Environmental Hazards

- Do not allow large quantities of neat product to enter surface waterways.
- Biodegradable to EU standards.
